

8 September 2020

Dear parent/guardian/carer

## Breakfast Club

Breakfast club will be re-introduced from the 14 September, this will be held in the school dining room, Monday to Friday from 7.30am. Students who attend breakfast club will go directly to their tutor groups for registration.

To help you to book a place for your child, we will be trialling an 'add on' to SIMS Parent called SIMS Activities to manage bookings. As a contact you will receive an email inviting you to book breakfast club sessions. There are limited spaces available and places need to be pre-booked online at least 24hrs in advance. Please note, that booking is available from now.

Students will not be able to walk in without a booking. You will also be able to pre-book up to half term, however, repeat non-attenders will be withdrawn from the breakfast club. Please note that this is only available through the web version of SIMS Parent (<https://www.sims-parent.co.uk/>) and not on the app itself.

A register will be taken of students attending breakfast club each day, students will then be segregated into their year group bubble due to the new social distancing guidelines put in place. This approach will be reviewed by half term.

Students can purchase breakfast items by using cashless catering, no cash is accepted. The following items are available to purchase:-

Pastries	£1.00
Hot chocolate	£0.40
Fruit juice	£0.40
Bacon roll	£0.70
Sausage bap	£0.70
Toast with butter	£0.20
(Choice of spread)	
Cereal with milk	£0.50

Please use the link <https://www.sims-parent.co.uk/> or the invitation emailed separately to pre-book a place if you wish your child to attend breakfast club.

A reminder Free School Meals can be applied for online choosing one of the two blue buttons on the website: <https://poolehigh.co.uk/parents/free-school-meals/>

Yours sincerely

Mr Billy Howson  
Pupil Premium Co-ordinator
