20 September 2021

Invitation letter for parents of children aged 12 to 15 years of age

Dear Parent / Carer,

COVID-19 vaccination for children aged 12 to 15 years of age

I am writing to inform you that we will soon be offering COVID-19 vaccinations in school. I would like to ask if you wish to give your consent for your child to receive a first dose of the vaccine.

This vaccination will be free of charge and our highest priority is making it easy for children to access one dose of the vaccine before the winter.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

During the vaccination delivery we will maintain the range of measures we have in place to keep you safe from COVID-19.

We are due to visit your child's school to vaccinate on:

School: Poole High School
Date of Session: Monday 27th September – Friday 1st October 2021

If you wish your child to receive the COVID-19 vaccine, **Please complete the Consent form and return to school by 9am, on the date below.**

Date: Friday 24th September 2021

If you do not wish your child to be vaccinated, please complete the No consent section on the form.

Important information: If your child has any serious illness after you complete the consent form or for any other queries e-mail us at dhc.immsenquiries@nhs.net . Please note that our operating hours

are Monday to Friday 09:00 to 17:00, and we are unable to respond to enquiries outside these hours.

Please indicate your consent by returning the attached form to a member of staff.
By consenting you will be helping to play your part in reducing the risk of COVID-19 spreading.

Best wishes,

Angela Cosser
Immunisations Clinical Lead
