Statement of intent

Portland School expects all pupils to receive high-quality teaching and learning in a positive and respectful environment.

Employees at the school should understand that their own behaviour, and the manner in which they conduct themselves with their colleagues, pupils, parents and other stakeholders, sets an example.

We recognise that the majority of staff members act appropriately and treat each other with dignity and respect; however, we consider it important to clarify the expected standards.

This policy forms part of a staff member's contract of employment and failure to comply with it, and with the associated school policies, may result in disciplinary action being taken, including legal action where this is warranted.

This document applies to all staff members who are:

- Employed by the school, including volunteers.
- Working at both Blythe Bridge and Trent Vale sites.

This document does not apply to:

- Peripatetic staff members who are centrally employed by the LA.
- School catering staff employed by the Local Authority.
- Employees of external contractors.

These employees are governed by their employment contracts and any relevant laws pertaining to their activities within the school, for example, the GDPR and the Data Protection Act 2018.

- 2.1. In accordance with 'Keeping children safe in education' 2025, all staff members have a responsibility to safeguard pupils and protect their welfare.
- 2.2. All staff members have a responsibility to ensure that they provide a learning environment in which pupils feel safe, secure and respected.
- 2.3. To effectively safeguard pupils, staff members are required to follow the procedures outlined in this Staff Code of Conduct and the Child Protection and Safeguarding Policy, ensuring that they do not act in a way that may put pupils at risk of harm, or lead others to question their actions.

- 2.4. In accordance with the school's Child Protection and Safeguarding Policy, staff members will be prepared to identify pupils who may be subject to, or at risk of, the following types of abuse and neglect:
- Physical abuse
 - Emotional abuse
 - Sexual abuse

- 2.5. Any staff member that has concerns about a staff member's actions or intent that may lead to a pupil being put at risk of harm will report this in line with the Confidential Reporting Policy to the Executive Headteacher immediately so appropriate action can be taken. - 2.6. If the concern is regarding the Executive Headteacher, staff will report this to the chair of the governing board.
- 2.7. Upskirting is not tolerated by the school and any incidents of upskirting must be reported to the DSL who will decide on the next steps to take, which may include involving the police.
- 2.8. If a staff member feels unable to raise an issue with the school, they will use other whistleblowing channels, including contacting the NSPCC's helpline on 0800 028 0285 (between the hours of 8:00am and 8:00pm Monday to Friday) or email help@nspcc.org.uk. Staff members can also access guidance at www.gov.uk/whistleblowing.
- 2.9. All staff will partake in the appropriate safeguarding and child protection training; additionally, all staff will receive regular safeguarding and child protection updates but at least annually.
- 2.10. Staff will be aware that confidentiality will never be promised to a pupil – staff will understand the procedure for if a pupil discloses a potential safeguarding issue, in accordance with the school's Child Protection and Safeguarding Policy.

- The harm test is satisfied in respect of that individual

- The individual has received a caution or conviction for a relevant offence, or if there is reason to believe that the individual has committed a listed relevant offence
- The individual has been removed from working in regulated activity or would have been removed if they had not left their post

3. Appearance and dress

3.1. The school expects that staff members will:

- Ensure that their appearance is clean and neat when at work or representing the school.
- Remember that they are role models for pupils, and that their dress and appearance should reflect this.
- Not dress in a way that would cause embarrassment to pupils, parents, colleagues or other stakeholders.
- Cover any tattoos or body art whilst in school; small stud earrings are acceptable, but all other body piercings must be removed.

3.2. Wear smart business attire to work at all times (collar for men). Business attire means that wearing denim, low cut, strappy tops, slogans/brand names or provocative clothing is not acceptable. Knee length dress/tunic top may be worn with leggings (not tights). Leggings should not be worn with tops shorter than knee length, to be worn with either shoes or ankle boots (knee high boots are not to be worn).

3.3. Staff should consider appropriateness of clothing whilst undertaking daily tasks including working closely with students e.g. bending over a desk, walking up staircases and the possibility of carrying out physical interventions.

3.4. Wear appropriate footwear - trainers, Crocs, open toed, flip-flops and backless footwear are not appropriate.

3.5. Jewellery: no large rings (solitaire engagement rings have been known to cause injury), necklaces are not advised for health & safety reasons and earrings to be kept to a maximum of one pair of studs and no other facial piercings. This supports the same standards that we expect of all of our students and helps the school to ensure that students follow the school rules.

3.6. Long fingernails are a health & safety risk to both staff and pupils so please keep them at a reasonable length.

- 3.7. Be conscious that strong smelling perfume/aftershave can often be a trigger for children on the Autistic spectrum.
- 3.8. Wear smart professional clothing and footwear if you have a different role to those with a direct interface with students e.g. administration staff.
- 3.9. Premises staff are to wear uniforms if provided (cleaning staff) or appropriate work wear/personal protective equipment.
- 3.10. During inset days staff are permitted to wear appropriate casual clothes suitable for the training being undertaken.

4. Attendance

- 5.6. Staff will be aware that professional behaviour and conduct is expected to be extended to extra-curricular trips and visits too. All staff attending a trip or visits will act in accordance with this policy.

- 5.7. Staff will act appropriately in terms of the views they express (in particular political views) and the use of school resources at all times and will not use school resources for party political purposes.

6. Conduct outside of work

- 6.1. Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school. The nature of the work cannot be seen to bring the school into disrepute, nor be at a level which may contravene the working time regulations or affect an individual's work performance.
- 6.2. Staff will not engage in outside work which could seriously damage the reputation and standing of the school or the employee's own reputation, or the reputation of other members of the school community. In particular, criminal offences that involve violence, possession or use of illegal drugs or sexual misconduct are unacceptable.
- 6.3. Staff will not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute. This is explored further in [section 15](#).

- 9.2. For the purposes of this policy, a financial conflict of interest is one where there is, or appears to be, opportunity for personal financial gain, financial gain for close relatives or friends, or where it may be reasonable for a third party to take the view that financial benefits may affect an individual's actions.
- 9.3. The term 'financial interest' means anything of monetary value, including the following:
 - Payments for services
 - Equity interests
 - Intellectual property rights
 - Hospitality or gifts
- 9.4. Examples of financial interests that must be declared include, but are not limited to, equity interests in services considered for use by the school.
- 9.5. Non-financial conflicts of interest can also come into conflict, or be perceived to come into conflict, with an individual's obligations or commitments to the school. These interests may include any benefit or advantage including, but not limited to, direct or indirect enhancement of an individual's career or gain for immediate family or someone with whom the individual has a close relationship.
- 9.6. Examples of situations that could give rise to non-financial conflicts of interest include the following:
 - Pressure or temptation to accept gifts, inducements or hospitality
 - Participating in the appointment, hiring, promotion, supervision or evaluation of a person with whom the individual has a close personal relationship
 - Where a member of staff has or develops a close personal relationship with a colleague
- 9.7. Membership to a trade union or staff representative group does not need to be declared.

- 9.8. Staff members will also carefully consider whether they need to declare their relationship with any individual where this might cause a conflict with school activities.
- 9.9. Failure to make a relevant declaration of interests is a very serious breach of trust and, therefore, if employees are in doubt about a declaration, they are advised to contact the school or trade union.
- 9.10. All declarations, including nil returns, will be submitted in writing to the Business Manager for inclusion on the Register of Business/Pecuniary Interests.

- 14.4. The school understands that some staff members could also be parents of pupils at the school and, therefore, may wish to contact other parents. When doing so, staff will exercise their professional judgement and will not contact family members on social media if this would lead to a conflict of interest.
