A Prospect House , the children and their learning are at the very heart of every decision made. We aim to develop learners who are passionate, take ownership of their learning and are proud of their achievements and follow the curriculum intent of

“Our pupils, our community, our curriculum, to live our best lives.”

The ethos of our school is such that all people who come into our school, whether staff, pupil, parent or visitor, are valued as individuals in their own right. They should set, and be entitled to expect from others, good standards of behaviour, marked by respect and responsibility.

The school will help the students to develop an inner discipline and will encourage pupils to make good choices in their own behaviours and choices. They will grow through making choices and holding to the choices that they have made. They will want to be honest with themselves and with others.

We ensure that our pupils develop spiritually, morally, culturally and socially through our cultural capital offer

British Values

As well as promoting good social and moral values within school, we also promote the following fundamental British values:

Democracy, Rule of Law, Individual liberty, Mutual respect and Tolerance of those with different faiths and beliefs.

At Prospect House, we reinforce these values regularly in the following ways:

Democracy

Children have the opportunity to have their voices heard in school. The school carries out regular questionnaires with the pupils to ascertain their thoughts and feelings about our school. The findings are shared with staff and Governors and form part of the school's self-evaluation and future planning. Pupils' views are also taken into account when setting new policy such as our Safe use of internet, Anti Bullying and Behaviour and in the future they will have an input into homework.

School councillors are elected democratically, voting in each class at the beginning of each year. Pupils also have the chance to vote on charities that the school supports such as Water Aid and Macmillan Cancer.

Rule of Law

The importance of laws, whether they be those in class, the school or the country are reinforced in school regularly through the SMSC whole school curriculum overview and whole school assembly. Across the school and the EYFS, there is a clear code of conduct with rules agreed by the pupils.

Pupils are taught the value and reasons behind school rules and national laws that protect us, look after us and govern us. We discuss with the children and make clear the consequences when rules in school and laws of the land are broken. We arrange visitors to speak with the children such as the Police to discuss Road safety, Fire safety, Stranger Danger and the NSPCC.

Children have the freedom of choice in respect of lunchtime time and after school clubs where appropriate that they can get involved in.
