Dear Parents and Carers,

## Easter interventions

As we approach the GCSE examination period, we would like to take this opportunity to highlight the importance of effective revision and the vital role it plays in your child's success.

GCSEs are a significant milestone in your child's education, and consistent, structured revision can make a substantial difference to both their confidence and performance. Developing good revision habits not only helps pupils retain knowledge but also builds important skills such as time management, organisation, and independent learning.

We encourage all pupils to continue revising in a planned and balanced way. Short, regular revision sessions are often more effective than last-minute cramming. Techniques such as creating revision timetables, using flashcards, practising past papers, and revising in a distraction-free environment can greatly support learning.

In addition, the school has planned a range of intervention sessions which will run during the Easter holidays, please see below. These sessions are designed to provide targeted support and help pupils strengthen their understanding in key areas, as well as to give pupils the opportunity to catch up on any time missed from their NEA sessions. All sessions are open to all pupils, although some teachers may contact you directly to request your child's attendance if they are concerned about their current progress.

Please encourage your child to attend by discussing with them the importance of making the most of these valuable opportunities. Please enrol your child (prior to the intervention) for each session they will be attending via the Clubs section on MCAS App.

If you have any questions about how best to support your child during this time, please do not hesitate to contact us, or alternately go to the exams page of the school website, [Exams | Queen Elizabeth High School](#). We are here to work together to ensure every pupil reaches their full potential.

Thank you for your continued support.

Yours sincerely,

Mrs M A Watkiss
