Dear Parent/Carer

KS3 reports

Over the last year we have been reviewing our policy for reporting pupil progress to parents at KS3. Following feedback from parents and staff, we have decided to move away from the bands system that we have previously used. Instead, on your child's report, you will see a column headed 'Progress'. This column will give an overview as to whether your child is making more than expected progress (MTE), expected progress (EXP) or less than expected progress (LTE) at this stage, based on their prior attainment (KS2 results and CAT 4 tests). We feel that this is a more accurate reflection of the progress your child is making in each individual subject.

You will also see that we now include the 'Class Conduct' and 'Homework' columns, as well as the 'Attitude to Learning', to give you a better insight into your child's effort and behaviour during the school day.

Year 8 reports will be sent out today.

If you wish to discuss this further, please do not hesitate to email me – mwatkiss@tcat.school

Yours sincerely

Mrs M Watkiss

Assistant Headteacher: Data and Reporting
