Dear Parents and Carers,

### The Nameless Noise

I hope this letter finds you well. I am writing to provide some important information regarding the upcoming show this Sunday at the Conquest Theatre in Bromyard.

Please ensure that your child arrives at the theatre by 10 am, dressed primarily in black clothing, with the addition of their costume signifier, which should be something black and green. Footwear should also be black.

As we will be spending a substantial part of the day at the theatre, please pack a lunch and a water bottle for your child. It is crucial that everyone stays hydrated and has enough energy for the day ahead! Students will not be able to visit the shops during the day.

I also want to remind you that once we are in the theatre, pupils will not be permitted to leave until the day concludes and they are signed out at the end. The show itself will begin at 3 pm and will last approximately 40 minutes, so please ensure that they are prepared for a full day of activities.

Also, as a reminder, mobile phones are not permitted in the wings of the theatre. It is essential that all pupils listen attentively during our preparation time, as we will be going through a lot of technical information in a new space.

Thank you for your support and commitment. We are all looking forward to an exciting and successful day at the theatre! We hope you enjoy watching our performance as much as we have enjoyed creating it!

Many thanks,

J Fisher
