Dear Parent/Carer

GCSE Revision guides and workbooks

During the coming weeks your child will receive a copy of a Revision guide for each subject they study and workbooks for Maths and Science, to help with their planning and revision for their GCSE examinations. If your child has already got a Revision guide, please ask them to return the school one to their class teacher.

We are loaning pupils the Revision guides, therefore we are asking pupils to return them at the end of the examination period. We do not expect the workbooks back, as hopefully they will have written in them, but if they have not been used, we would appreciate them back also.

During the examination period, there will be a drop box available in the hall for pupils to return the Revision guides, alternative they can return them to their class teacher or to reception.

Yours sincerely

Mrs Watkiss
Assistant headteacher
