Dear Parents and Carers,

School Closure

I am writing to inform you of the plans for the school closure scheduled for Monday 4th November. As you are already aware, the school will not be open on this day. Despite this closure, we are committed to ensuring that our pupils continue their learning without interruption.

To ensure that the work remains meaningful and manageable for each pupil we have simplified the timetable. For Key Stage 4 pupils the work has been organised into four sessions, while Key Stage 3 pupils will have three sessions plus an additional a session allocated for catching up on any outstanding homework.

We kindly ask you to ensure that your child logs in to ClassCharts and completes the work as outlined by their respective teachers. The tasks have been carefully designed to align with their current curriculum and to support their learning journey. We recognise working from home presents challenges therefore we have arranged all the work to be available from today ready to complete at your convenience.

Below is a summary of the subjects your child can expect to engage with:

If you are unable to access ClassCharts via your login, you are able to view all set work via the Classcharts calendar on our website (<https://www.gehs.co/pupils/homework-exams-revision>) or [click here](#).

If you have any questions about the tasks, please contact the subject teacher via the details available on the school website <https://www.gehs.co/general/staff-list>.

We appreciate your cooperation and support in facilitating your child's learning from home. Should you have any queries or require further assistance, please do not hesitate to contact your child's form tutor.

Yours sincerely,

Mr S Seneque
