Dear Parents/Carers

Re: Sports Science T-shirt

As a privilege for opting to take Sports Science, your child is welcome to purchase a Sports Science t-shirt. The t-shirts are navy with a red trim and include an embroidered 'QE' school logo and the words 'Sports Science' printed on the back, with your child's initials printed on one side of the chest.

The **optional** t-shirt is allowed to be worn in your son/daughter's weekly core PE lesson as well as for practical elements of their examination PE course, there will be no need to purchase two different t-shirts. The new t-shirts are designed to give those students undertaking examination PE the opportunity to feel a group identity and to make others aware of their extra commitment to PE in school. I stress this is not a compulsory kit change and normal PE kit is more than acceptable for all practical lessons.

The cost is reduced from last year to £16 per shirt including all embroidery and printing. If you would like to purchase one, please place your order by 14th November. It is important to note that we are making a one-off bulk order from a different supplier than previously used. These t-shirts will not be Joma branded, please be aware that all personalised orders are also non-refundable.

You can purchase the t-shirt on MCAS under 'products'. Please make sure you select the correct size when ordering. Your child can then confirm the initials they would like printed on the t-shirt with me when it has been purchased.

Yours sincerely,

Miss I Muirhead
