Dear Parent/ carer,

The Nameless Noise

Your child has been involved in creating a new theatrical production which will be staged at Conquest Theatre, Bromyard on Sunday 24th November at 3pm.

Devised and written by the company over the last ten weeks, The Nameless Noise follows the journey of Abi, an inventor whose attempt to solve the communication problems in her town leads to unexpected chaos. In a world where people only connect through their devices, face-to-face conversation and community spirit have vanished. The result is strange: a town that's both eerily silent and overwhelming with digital noise!

As the overworked townspeople churn out more devices, everyone sinks deeper into isolation and sadness. Abi must find a way to fix the mess she accidentally created before it's too late.

Preparations are well underway and as show day approaches, we will need several extra-long rehearsals to make our final tweaks!

· Wednesday 6th November – Rehearse at school until 6pm.

· Wednesday 13th November - Rehearse at school until 6pm.
