## School Uniform Expectations

Dear Parents and Carers

Our school uniform is practical, comfortable and fair – giving parents some choice in the uniform they purchase and that pupils can wear. Therefore, we expect all pupils to follow our uniform policy, and parents to support us in enforcing the policy and with the necessary consequences for pupils who do not follow the uniform rules. Thank you for your continued support.

We appreciate that at the end of last term due to problems with the school heating, pupils were allowed to relax the rules and wear clothes to maintain their comfort. The heating issue has been resolved, and classrooms are warm; therefore, all pupils must now be back in full school uniform.

I have outlined the main uniform expectations below; the full guidance can be found on our website. All pupils are expected to be in full school uniform with immediate effect. Parents and Carers have an opportunity to purchase any uniform items their child needs over the next two weeks and during the half term break.
