12th December 2025

Dear Parents and Carers,

Year 11 PPE Examination Results

We would like to invite pupils and parents to a PPE Examination Results collection morning on Thursday 18th December. This will take place between 8am and 8:30am in the gym. The aim of this is to give pupils an experience of what it is like to collect formal assessments results ahead of their official results day in August next year. It also gives you the opportunity to ask any questions you may have on clarification of the results.

If you have any queries do not hesitate in contacting me at school or via email

mwatkiss@tcat.school

Kind regards,

Mrs M Watkiss
