Tuesday 10th September 2024

Dear parents and carers,

On Thursday 12th September Year 10 will be completing some workshops delivered by 'Your Impact'. Your Impact is a multi-agency road safety scheme aimed at reducing death and serious injury amongst young road users in Herefordshire and Worcestershire. The scheme is aimed at Year 10 pupils who are road users, as car passengers, pedestrians, cyclists, and may soon become young drivers.

The focus is to provide pupils with the education, tools and confidence to make the right choices using the road to become better passengers. This will lead them onto having the confidence to recognise and challenge the behaviours of those making potentially dangerous decisions. Whether that be in control of a vehicle, passenger or other aspects of using the road. This will in turn lead them on to become better young drivers.

Pupils will participate in 4 workshops throughout the morning. These will consist of

1. A realistic road traffic collision (RTC) reconstruction delivered through the latest Virtual Reality technology.
2. They will learn about the importance of seatbelts, speed limits, impairments and distractions.
3. Active Travel workshop which details how to be safe when being a cyclist, E Scooter and a pedestrian around the road.
4. Drink and drugs awareness delivered by the police.

If your child wishes to opt out of any session please can you contact myself, mwatkiss@tcat.school or Mrs Davies edavies@tcat.school before the end of school on Wednesday 11th September and that can be arranged.

Many thanks

Kind regards

Mrs.M. Watkiss
Assistant Headteacher
