Year 11 EPR/RE	Topic Autumn	Торіс	Topic Spring	Торіс	Topic Summer	Торіс
Key concepts	Area of Study 2- Judaism Section 1-Jewish Beliefs In this topic students need to think about how the characteristics of God are shown in the scriptures. By the end of the topic students should be able to evaluate the importance of these characteristics in Jewish life today.	Section 2- Crime and punishment In this topic students will look at the nature of justice and look at why justice is important to non-religious people as well as why justice is important to Jews. Students look at justice through the perspective of the victim and evaluate different responses to why justice is important.	Section 3- Living the Jewish Life In this topic students are looking at the nature, features and purpose of public acts of worship including synagogue services. Students will by the end of the topic be able to explain and evaluate the importance of synagogue services for the individual as well as the Jewish community.	Section 4- Peace and Conflict In this topic students will look at the nature and importance of peace for Jews and Jewish teachings about the importance of peace. Students by the end of the topic will be able to explain and evaluate Jewish attitudes to peace.	Revision
