Food Tech

Really proud of the Y10 Food Prep and Nutrition class. They prepared and cooked scallops (donated by McDuff Seafood as part of the Food Teachers Centre Fish Hero Program). Most pupils had not tasted scallops let alone cooked them and all pupils produced fabulous dishes. A big thank you to Toby Redsull who came in to show the class some presentation skills.

Y9 Food/Child Care - Chloe produced an amazing dish suitable for a 2-5-year-old, which met healthy eating guidelines and was presented to entice a fussy eater.

The Scholars Program Birmingham University

Since March some of our year 7 and 8 pupils have been working with Grace Owen, a PhD Tutor from the University of Birmingham, as part of The Scholars Programme. They have completed university style tutorials and submitted an assignment titled 'Back to My Own Country': Windrush, Migration and Belonging in Modern Britain. This assignment was at GCSE level! On Thursday, the 7th of July they visited the University of Bristol where they graduated from the programme. All the pupils received a 2:1 grading (equivalent to a B) or above, an outstanding achievement. A special mention also goes to Jess and Olivia for speaking so well about their studies and assignment during the ceremony. Well done all!

Sports Day 2022

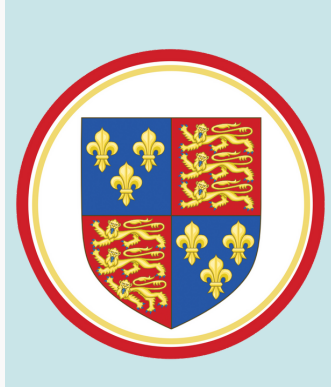

Tuesday 5th July

All of KS3 competed in a very successful and competitive sports day, great to see so many students taking part in a variety of events. Griffin eventually came out as winners. All 1st 2nd and 3rd placed students received a certificate in a celebratory sports assembly.

Pupil Commendments

Jasmine was chosen by Ledbury and Malvern swimming club to complete and test out the "Brand new commonwealth games swimming pool before any of the athletes!

Darcey claimed 3rd Prize in the young farmers rally at Dorstone, for her spaced theme Rocket using only recycled materials last month, and at Bromyard Rugby Club she was awarded most improved U18's player at the end of this season.

Ajay, William and Jack have all have been training at Phoenix Taekwondo for over 6 years and they were all due to take their Black Belts in Taekwondo but Covid delayed this. None of them gave up because they couldn't train, and they all trained over lock down at home so not to lose any training time. They have all shown great dedication, maturity and commitment and are all growing in confidence and are now classed as junior instructors. They are an asset to the club and a credit to themselves for all their hard work and dedication to their learning.

Jess in year 8 has a Yellow Belt in Taekwondo and she is working towards her Green Tag.

Ruby has qualified for the SEG championships (School equestrian games) competing in one day events at 80cm with her pony Saucy. The Championships are in October.

On 1st May 2022 Ruby competed in the West Midlands National Championships Grade 3. She came overall 8th competing against big clubs like Birmingham Flames, Park Wrekin.
