Duke of Edinburgh Award

Wye Valley Expedition

Last month our pupils did a practice walk where they navigated around the local area, revising their map and compassing reading skills, thinking about first aid scenarios and getting used to working as a team. Last weekend, 34 Year 9 and Year 10's did all of this - in a different area and on their own!

They left school on Saturday morning, carrying all the equipment they needed for the weekend. They walked through the Wye Valley, keeping to the Countryside Code, and worked as a team to support each other as they completed 6 hours of walking activity. When they arrived at the campsite, they put up their tents and cooked a meal on their stoves, before getting some well-deserved sleep.

On Sunday they packed up, left the campsite and then did their second day of walking, before being picked up from their end point and returned to school. The pupils worked hard throughout the experience, luckily the weather was good and blisters were limited! All who took part showed enormous resilience and determination - Well Done.
