Dear Parent/Guardian

This is a very exciting time as your child looks to the future and thinks about the subjects they will take for the next two years. The choices students make are important and will give direction to future career paths in either further/higher education or apprenticeships.

We would normally welcome you into school to discuss the option process, unfortunately we are not able to do this. Instead an online Parents' Evening Meeting will be held on **Tuesday 02 March 2021 at 18:00** giving you an opportunity to listen to Mr Farmer and I discuss the options process at Queen Elizabeth High School. If you are unable to attend the meeting it will be recorded and shared with all Year 9 parents/guardians and students.

On **Wednesday 03 March and Thursday 04 March 2021** there are subject online meetings arranged for you to attend with your child. The subject teacher will deliver a presentation outlining the course content, assessment requirements and possible links to further/higher education or apprenticeships. I only recommended attending the subjects that you child must study and subjects they are considering to select. The tables below indicate the times of these meetings.

The meetings have all been scheduled online and will be delivered through **Microsoft TEAMS**. Your child will need to log into office365.com, using their school email address. Your son/daughter has been invited to all these meetings, they can be accessed via the link in the emails they have received or by clicking on Teams and joining them via the calendar. This process is not new to them as they have been successfully taking part in online lessons via Microsoft TEAMS, during the 2021 lockdown.

If you have any questions regarding remote learning at Queen Elizabeth High School please do not hesitate to contact Mr Seneque or Mr Farmer on the following email addresses [sseneque@queenelizabeth.hereford.sch.uk](mailto:sseneque@queenelizabeth.hereford.sch.uk) or [mfarmer@queenelizabeth.hereford.sch.uk](mailto:mfarmer@queenelizabeth.hereford.sch.uk).
