A Message From Me

This is my last newsletter before the summer. I work over all of the school holidays so if you'd like a 1:1 chat, just let me know. Alternatively, you can book into some of the online drop-ins or workshops (see below) if you'd like a bit more anonymity.

Activity Idea - Seaside Trifle

You'll need-

- Blue Jelly.
- Fish jelly sweets.
- Whipped cream.
- Cake.
- Cocktail umbrella.
- A food safe jar.

Method-

1. Prepare the edible sand by breaking up the cake and placing it in the oven for 30 minutes to dry out. Allow it to cool, and then blend it in a food processor or break it up by hand until it reaches a fine crumb texture.
2. Make the jelly using the instructions on the packet and pour it into the jar so it's approximately 1/3 full and then add the fish sweets. Put the jar in the fridge to set.
3. Cover the jelly with whipped cream and then cover the cream with the edible sand.
4. Add a cocktail umbrella and **Enjoy!**
