## Superheroes to the rescue!

This week we moved our learning on from learning about real-life superheroes to fictional superheroes and were very inspired by the fabulous artist, Mr. Fisher, who came in to show us how he creates superhero images and taught the children how they could do their own. Both classes worked with him to create their own class superhero (named by the children!) - we now have Ash Mash and Rowan Ranger!

Mr. Fisher's visit really helped to inspire our story writing and all the children worked hard to write their own story, introducing their own superhero, the setting their story was based in, a problem and a resolution. What excellent stories were written!

In maths, we have been exploring doubles to 10. We've learnt a doubles song, played dominoes (calling out the doubles as we played) and used lots of practical resources to help to develop our understanding.

During our forest school session we took part in superhero boot camp, superhero saving and superhero climbing, which was all so much fun. In our swimming session, we continued to develop water confidence and used a woggle to ride around the pool like a horse and then use it to develop our kicking legs. Great work, children!

It was so lovely of Mr. Spencer to come and help us plant sunflowers in our forest school area. The children really enjoyed helping him!

## Looking at next half term:

We will begin our new 'Under the Sea' topic! We will use drama to inspire us and respond to a story using the tales toolkit.

In maths, we will look at how to share into equal halves using a variety of resources and even 2D shapes!

In PE, we will begin to practise our skills for sports day (see the date in the date section below) and in swimming we will continue to develop our kicking legs and work on our floating

## P.E. and Forest School Days:

**Forest school** sessions will be every **Wednesday**.

**PE** sessions will be every **Thursday** (don't forget shorts under tracksuit bottoms!)

**Swimming** sessions will be every **Friday**.

## Dates for your diary:

### Half Term

29th May - 2nd June

### INSET day (school closed)

Monday 5th June

**EYFS School Trip (helpers still needed!)**

Thursday 29th June

### EYFS and KS1 Sports Day

Thursday 13th July

26.05.23
