**Kids Safety Net:** a multi-agency campaign for Cambridgeshire & Peterborough, to support parents and carers help keep children safe in their online world is launching on Thursday 9<sup>th</sup> March 2023.

Partners, including the NSPCC, Cambridgeshire and Peterborough Safeguarding Children Partnership Board, Cambridgeshire PSHE, and Healthy Schools have come together for a six-

month campaign with the aim of encouraging parents, carers and relevant professionals to feel confident in talking about online safety with the children they support and work with, so that they know that they can always talk to someone about anything that is worrying them.

Parents in Cambridgeshire and Peterborough are being encouraged to chat to their children about online safety as part of the 'Kids Safety Net' campaign.
