

LKS2 NEWSLETTER

This week:

This week we have been focussing on measures in our maths sessions. We have revised how to measure in cm, mm and m. The Yr4 children have also learnt how to convert between metres and kilometres. We have taken part in some practical activities and then applied this understanding to reasoning problems.

In English, the Yr4s have been busy preparing their scripts ready to use at Burwell House next week.

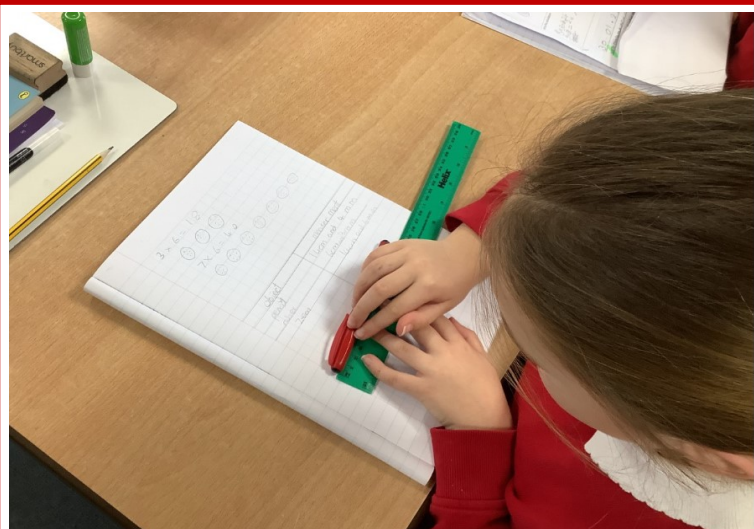

We are all very excited about the upcoming trip and we have had chance to answer some of the children's questions too. In Yr3 they have been learning about the features of newspaper writing. This will then continue into next week when they will write their own newspaper article.

During our foundation sessions we have learnt about why earthquakes happen and completed the fossil artwork that we started last week. Next week it is national Children's Mental Health week and will be planning in some activities into our week.

Talk Time question:

How long is too long on a screen?

We have used our measuring skills to measure in centimetres and millimetres.

Year 3/4 Rackham Primary School

Looking forward to next week:

English— Next week Year 4 will be rehearsing their scripts ready to record them at Burwell House. Yr3 will plan and write a newspaper report linked to the Firework Maker's Daughter.

Maths — In maths we continue with our unit on measures. The focus will be to compare lengths, find equivalent lengths and add and subtract different lengths.

Foundation subjects — We will be completing a rocks hot task to mark the end of our science unit. We will also compare the geographical region of Indonesia with the UK. Then at the end of the week Yr3 will carry out a local study of the Witchford area using maps and local knowledge.

PWP

This week's focus words have been:

Ambush
Palatial
dreary

Dates for your diary:

Burwell House residential
Yr4– 8th– 10th February

13th-17th February– Half Term.

End of Spring term– 31st March

03.02.23

THE RACKHAM ROUNDUP
