

THE RACKHAM
C OF E PRIMARY SCHOOL

Pupil Premium Policy

Policy Number: SCH 069

Date: September 2023

1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium allocations and conditions of grant guidance 2023 to 2024, published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on virtual school heads' responsibilities concerning the pupil premium, and the service premium.

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

4. Use of the grant

We will use a research informed approach to address issues at Rackham by drawing on reports published by the Education Endowment Fund (EEF) to determine our strategy, making it both effective and good value for money. Meaningful identification of pupils will be made through utilisation of robust diagnostic assessment. A combination of high quality teaching, use of diagnostic assessments alongside pastoral support provides a complementary approach to help pupils excel.

Our strategy facilitates challenge for disadvantaged pupils in their work; early intervention at the point of need both on a pastoral and academic level and a whole school approach where all staff take responsibility for disadvantaged pupils' outcomes by raising expectations of what they can achieve.

When making decisions about Pupil Premium funding it is important to consider the unique context of Rackham C of E Primary and the subsequent challenges we face. Common barriers to learning for disadvantaged children can be: less support at home; weak language and communication skills; lack of confidence; diminished self-esteem; more frequent

behaviour difficulties and attendance and punctuality issues or complex family situations. Each combination of barriers is unique for each child.

In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged. Our intention is to address strands of identified need and so raise the self-esteem, attainment and life chances of this group of young people to prepare them for life beyond Rackham.

To ensure governors fulfil statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment.

At The Rackham we use pupil premium funding in the following ways:

- Providing extra 1-to-1 or small-group support
- Employing extra teaching assistants
- Running catch-up sessions with a qualified teacher.
- Providing extra tuition where needed
- Funding educational trips and visits
- Funding music tuition for groups of children.

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Years Reception to Year 6.

Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children

Pupils recorded in the most recent October census who were:

- Looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order
- In state care from outside England and Wales before being adopted.

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
