

	Year 1/2	Year 3/4	Year 5/6
Autumn Cycle B	Explore & Draw Drawing, Sketchbooks, Collage	Storytelling Through Art Drawing, Sketchbooks, Collage	2D Drawing to 3D Making Drawing, Sketchbooks, Making
<h1 style="writing-mode: vertical-rl; transform: rotate(180deg);">Drawing & Sketchbooks</h1>	<p>Pupils will become familiar with the idea that other artists are inspired by exploring and collecting things in and around their environment. They will record their thoughts and feelings about the artwork in their sketchbooks and will visually list places and things that they can explore and collect from school home and their local area.</p> <p>Pupils will demonstrate their curiosity by exploring their playground or school area to collect items that inspire them. Pupils will play with the objects to create new shapes and patterns on the ground. Pupils will decide which objects to bring back to the classroom before continuing to play with pattern and composition. They will demonstrate sorting skills by grouping objects by colour, size, material, and type. Children will take photos of their arrangements and reflect on their gathering and documentation.</p> <p>Pupils will work in sketchbooks using a variety of media (hand-writing pens, pencils). They will draw the things that they collected in week 2, becoming familiar with exercises like continuous line drawing and feely drawing. They will begin to develop hand-eye coordination through slow drawing and understand that they can explore an object through touch.</p> <p>Pupils will use the skills that they have picked up in previous weeks to create a finished drawing. They will be introduced to wax resist techniques and will start considering 'composition' when making work.</p> <p>Pupils will display their work in a clear space and reflect on the half term, sharing what they like and what they would like to try again through peer discussion.</p> <p><i>Andy Goldsworthy, Joseph Cornell, Hassan Hajjaj, Lorna Crane, Alice Fox, Nicole White.</i></p>	<p>Pupils will explore the work of two artists who create illustrations that tell stories. Pupils will respond to their work through verbal discussion in class as well as by collecting and consolidating information with visual notes.</p> <p>Pupils will use toys, poetry, and their own text to create richly illustrated narratives contained within a single drawing. Pupils will juxtapose objects to create their still life scenes from which they will work. Pupils will explore the materials charcoal, chalk, compressed charcoal pencil, and eraser to make their drawings.</p> <p>Pupils will explore how they can build and share a story through a series of images. They will work from evocative literature or poetry to create either a concertina or a poetry comic. Pupils will have lots of opportunity to explore different materials such as charcoal, graphite, ink, or pastel. Pupils will use sketchbooks to develop ideas throughout.</p> <p>Pupils will display their work in a clear space and reflect on the half term, sharing what they like and what they would like to try again through peer discussion.</p> <p><i>Laura Carlin, Shaun Tan</i></p>	<p>Pupils will become familiar with the idea that artists can paint on wood to create flat, standing images which viewers can walk amongst. They will record their thoughts and feelings about the artworks seen in their sketchbooks.</p> <p>Pupils start creating "flat yet sculptural" artwork.</p> <p>To use the paper as a collage material</p> <p>To use methods of construction to transform them into sculptures.</p> <p>Or</p> <p>Pupils will explore the colours and patterns on different types of food packaging.</p> <p>They will learn about the process artist Claire Harrup uses to design food packaging and record their thoughts and observations in sketchbooks</p> <p>Pupils redesign existing food packaging items by building nets, whilst experimenting with drawing, composition and type.</p> <p>Pupils will display their work in a clear space, and walk around the work as if they are in a gallery, sharing what they like about their own and each other's work.</p> <p>Pupils will work in pairs or teams to document their work using cameras or I pads.</p> <p><i>Lubaina Himid, Claire Harrup</i></p>
