<b>Print, Colour, Collage</b>	<p>Pupils use their hands and feet to explore printing patterns using their bodies.</p> <p>Pupils are introduced to primary paint colours and will demonstrate an understanding of how they can create a 'print' using controlled pressure and paint amounts. Pupils have time to experiment with line, shape and colour to create drawings over the top of their prints.</p> <p>Pupils collect textured objects which they will take rubbings from, using materials such as wax crayons or pencil crayons. Pupils work in sketchbooks or on large sheets to create compositions with their rubbings.</p> <p>Pupils are introduced to 'relief printing'. They demonstrate their understanding of the relationship between a plate and a print through making either impressions in plasticine or creating a deep recess in foam board. Pupils demonstrate their understanding of using controlled pressure and paint amounts to create a print. Pupils have the opportunity to demonstrate an understanding of 'repeat pattern/repetition' using collage.</p> <p>Pupils reflect on their drawings over the half term, sharing what they like and what they would like to try again through peer discussion.</p>	<p>Pupils will visually explore chosen artwork in class using the 'Show Me What You See' technique. During the exercise pupils will consider shape, colour, and composition. They will make choices about the materials that they use, having opportunities to use pastel, crayon, and pens.</p> <p>Pupils will explore the idea of 'painting with scissors' taking inspiration from artist Romare Bearden. They will respond to the work through class discussion.</p> <p>Pupils will take inspiration from original artwork and sketchbook work from the previous lesson. They will use sugar paper or old paintings to cut out shapes made in response to the original artwork.</p> <p>I can collage with my cut elements, choosing colour, shape, and composition to make my own creative response to the artwork.</p> <p>I can add to my collage using line, colour and shape made by stencils.</p> <p>I can explore negative and positive shapes.</p> <p>I can take photographs of my work.</p> <p>I can share my work with my class, I can reflect and share what I like, and what I would like to try again. I can look at the work of my classmates and give useful feedback through class or small group discussion.</p> <p><i>Matisse, Claire Willberg</i></p>	<p>Pupils will become familiar with the term 'monotype'. They will explore the work of Kevork Mourad to find out about the concepts and processes that he uses. Pupils will respond by making visual notes to collect information in their sketchbook.</p> <p>Pupils will be reminded of the vast array of marks available to them through looking at others artist's work. They will work in sketchbooks to create a lexicon of marks made by varying the tool, hold, pressure, speed, and intention of the way the mark is made.</p> <p>Pupils will explore how they can use monotype to create their own personal zines. They will respond to poetry by considering colour, line, shape, and words. They will use these components to capture the mood of the poem. Pupils will work in sketchbooks to generate ideas, explore, develop, and reflect. They will use the mark making skills from week 2 to create exciting monotypes, combining process, paintings, and collage.</p> <p>Pupils will display their work in a clear space and reflect on the half term, sharing what they like, what they would like to try again, the creative journey, and the skills learnt through peer discussion.</p> <p><i>Kevork Mourad</i></p>
