

UKS2 NEWSLETTER

This week in Year 5/6:

On Monday, we had a visit from PCSO Mags Harvey to discuss the use and dangers of social media. We have continued discussing this in further lessons throughout the week. As you may be aware, there have been some issues with inappropriate messaging and language out of school. We appreciate the support of parents in this matter.

In maths, the children have continued to develop their use of decimals. They have added and subtracted decimals and identified the importance of place value when multiplying and dividing by 10, 100 and 1000.

In English, we have started to develop ideas for our non-chronological texts. These are based on imaginary creatures using the children's own ideas and link into their understanding of animals adaptations to their environments. This is linked to our discussions in science.

PWP words learnt this week:

Snubbed, tenacious

Willow class playing a maths game.

Art Day

Following on from last week's Art Day, we are extremely excited to announce that some of the children's work is to be displayed in an exhibition at the Babylon Gallery, in Ely, this weekend. Details can be found on the link below.

Next Week

Next week, in English the children will be drafting, editing and finalising their non-chronological reports.

Maths will involve using their understanding of decimals in real life situations such as using money and measures.

Dates for your diary:

Next week is Children's Mental Health Awareness Week.

4th-5th February - Babylon Gallery Exhibition.

10th February - Last day of term

13th - 17th February - Half term

20th February - First day back

1st March - FWR Film night

24th March - FWR Easter Bingo

29th March - FWR Disco

03.02.23

THE RACKHAM ROUNDUP
