

**Rackham (CE) Primary School** - COVID Outbreak Contingency Plan- September 2021

**Should my child self-isolate or miss school?**

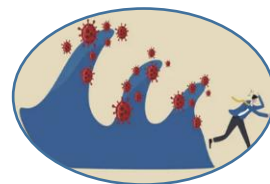

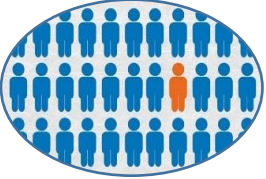

- All children **MUST** attend school unless they are ill.
- From 16<sup>th</sup> August 2021, children under 18 (or double vaccinated adults) do not need to self-isolate if a member of their household or a contact has COVID.
- Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.

- If your child develops COVID symptoms at home, they should stay at home and should book a PCR test, NOT a Lateral Flow Test.
- If your child develops COVID symptoms at school, they will be sent home and you should book them a PCR test.
- **If your child tests positive for COVID, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated- but instead should book a PCR test.**
