4. Desired outcomes	
<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
Gaps identified and plugged through quality first teaching and targeted interventions.	Quality first teaching and targeted interventions will be successful in plugging the identified gaps.

Exposure to a wide range of opportunities that will enrich childrens' experiences.	Pupils will be given every opportunity to participate in new experiences such as learning a musical instrument, attending school clubs and day/residential trips. All learners will be able to take part irrespective of their financial background.
--	--

Learners who attain equally to or better than national figures	The gap between PP attainment in school and non-PP attainment nationally will diminish.

i. Quality first teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	Implementation	Staff lead	When will you review implementation?
Learners who attain equally to or better than national figures.	Support of School Improvement Plan to ensure that all teaching is at least good with a higher proportion of outstanding.	The effects of high-quality teaching are especially significant for pupils from disadvantaged backgrounds: over a school year, these pupils gain 1.5 years' worth of learning with very effective teachers compared with 0.5 years with poorly performing teachers.
