

Covid-19 Questionnaire to Pupils Summer Term 2021

During the beginning of this term, we asked pupils to take part in an anonymous questionnaire regarding the national pandemic Covid-19 and Lockdown.

The aim of the questionnaire was to gain a better understanding of the pupil's feelings during Lockdown 1.

We decided to conduct the questionnaire at this time as we didn't want Lockdown 1 to become too distant from their memories and they were unable to recall their thoughts and feelings.

We collated the answers together and here are some of the answers we received regarding their experiences:

1. What did you like about Lockdown 1?

- It was ok because I went out and saw friend
- I hated it because I hate home schooling
