Anti-Discrimination Policy

Pupils placed at Ramsden Hall Academy commonly have a history of being unkind or verbally aggressive towards other pupils. A number of pupils placed with us have history of being the victim of unkind treatment from other pupils also. Our pupils often as a defensive mechanism identify or pick on the things that people find most personal and/or hurtful without always thinking of the consequences.

We recognise that relationships at schools similar to ours can lead to pupils quickly being involved in physical incidents. We endeavour through high levels of supervision that adults are constantly intervening and diffusing situations as and when they occur.

Nevertheless, there is a small core of pupils who resort to discriminatory behaviour. We recognise that pupils must be worked with and their discriminatory behaviour and derogatory language must be addressed. We have a duty of care to all of our pupils to where possible protect pupils from incidents of repeated negative behaviour and to ensure where required that victims of discrimination feel safe and supported.

Ramsden Hall Academy Definition of Discrimination

Discrimination is the practice of treating one person or group of people less fairly or less well than other people or groups. Discrimination bullying is the repeated and/or intentional behaviour that causes physical or emotional harm to an individual or group that is targeted based on their:

- Race
- Religion or Belief
- Culture
- Social Class or Socio-economic background
- Gender
- Sexual Orientation (homophobic or biphobia)
- Trans identity, Non-binary identity (transphobic)
- Special Educational Needs or Disability

Derogatory language

Derogatory or offensive language is not acceptable. This type of language can take any of the forms of discrimination as listed in our definition of discrimination and discriminatory bullying. It will be challenged by staff, and recorded and monitored on Sleuth. Follow up actions and sanctions, if appropriate, will be taken for pupils found using any such language. Staff are also encouraged to record the casual use of derogatory language using Sleuth as low and medium level behaviours

Curriculum and Training

Within the curriculum, the impact of 'Discrimination' is addressed within specific subjects such as English, Life skills and Ready to Learn.

Additionally, Discrimination is addressed within Tutor/Mentor periods and for those pupils accessing the 24hr curriculum within the residential provision also.

As a school we further raise awareness and take action against discrimination through participation in whole school events such as Black History Month, pupil voice/listening surgeries and by conducting a pupil questionnaire annually

Staff receive a full induction and in-house training in both the procedures following incidents of potential discrimination and methods for addressing discriminatory type behaviours. The practice of these procedures is closely monitored by the Head teacher, Deputy Head Teacher, Behaviour Co-ordinator and the Designated Safeguarding Lead.
