

Parent/Carer guide: Uniform

A guide to the academy's policies and
procedures

Everyone at Ramsden agrees to
abide by our Code of Conduct :

We keep each other safe
We help each other learn
We look after our school

We believe in a positive atmosphere
so we focus on **positive or successful
outcomes.**

All students are expected to wear The
Ramsden Hall School uniform which con-
sists of the following:

A sweatshirt with the school logo
and/or
A polo shirt with the school logo
A jacket with the school logo
Black trousers

All items (except the trousers) can be pur-
chased from the school office. Please en-
sure all items are clearly marked with stu-
dent names as we do have a lot of lost
property!

**Students who bring bags, jumpers or coats
that are not part of school uniform will be
asked to store them in their tutor rooms or
staff areas until the end of the day.**

The school staff are considerate and sensitive
where there is good reason for a pupil coming to
school without uniform through no fault of his
own. We do have supply of clean, spare uniform
that we will give to students in these cases.

However, students who refuse to wear the cor-
rect uniform may have certain privileges re-
moved. Parents and Carers may also be asked to
bring the correct uniform into school.
