## **Introduction**

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## **Pupil entitlement**

All pupils in years 7-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

## **Management of provider access requests**

A provider wishing to request access should contact Amanda Mclver, Transition Manger on either 01277 624580 or [amciver@ramsdenhall.org.uk](mailto:amciver@ramsdenhall.org.uk).

## **Opportunities for access**

Upon contacting our Transition Manager, we can arrange a suitable time and date for you to come into the academy to meet with students and/or parents/carers.

## **Premises and facilities**

The Academy will make classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The Academy will also make available, equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Transition Manager.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with our Transition Manager. Pupils will be able to access this information then during, lunch, break and career discussions.
