

Reach2 Academy Trust Governance

REAch2 is a charitable voluntary organisation which relies on the valuable input of a considerable number of non-executive volunteers, supported by an experienced team of staff.

The governance principles of REAch2 recognise the importance of developing relationships with a common purpose and they are about developing processes and structures. The effective governance of the Trust is supported by:

- Trust members – the guardians of the constitution
- Trust Board – the Directors / Trustees
- Trust sub-committees
- Regional Boards and their sub committees – including Regional Ambassadors
- Local Governing Bodies – the local governors
- The Executive Team

'Exceptional opportunities for learning' - the shared vision and values of REAch2.
