

**Year 9 - History**

<p><b>Curriculum intent</b></p>	<p>Knowledge of history is key to understanding the world around us and our place within it. Historical skills provide people with the ability to interpret and challenge the information around us. Year 9 builds on the foundations learnt in years 7 and 8. The first rubric continues investigating people's fight for rights while the theme of conflict: both causes and consequences is explored again in the Winter and Spring terms before examining the theme of 'Changing Britain' and allows learners to investigate the changes that occurred in Britain from WW2 to turn it into the country that we know today.</p>
