

Year 10 – Health & Social Care

Curriculum intent	In the first year of this course learners explore how individuals develop physically, emotionally, socially and intellectually over time. Investigate how various factors, events and choices impact individuals' growth and development and discover how people adapt to life events and cope with making changes. Learners also start component 2 in their first year and look in detail at specific care services and values before continuing this into year 11.					
Term	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
