Full attendance and participation on each day are compulsory and usual school attendance and behaviour policies should be followed. There will be no provision for learners in school on the college taster days.

To allow pupils to fully experience what it would be like to attend these Colleges **they must travel independently to and from the colleges. Transport will not be provided.** We recommend that they travel with friends and plan their journey before the taster days.

Pupils will not be required to wear school uniform but must be dressed appropriately for the workshops, i.e. best clothes are not advisable for certain workshops, e.g., trainers for sports, not best clothes for construction/engineering.

Learners should either take a pack lunch or money with them to purchase food. Learners will not be allowed to leave the college site during the day.

Please confirm that you have received this information and that you understand the requirements of the three days.

Yours faithfully
