

Read St John's CE Geography Topic Map

EYFS	<p>Talk about the features of their immediate environment.</p> <p>Recognise some similarities and differences between life in this country and life in other countries. (Celebrations around the world.)</p>	<p>Recognise some environments that are different to the one in which we live. Eg Antarctica.</p> <p>Identify how technology is used to share information, eg. Google maps.</p>	<p>Draw information from a simple map and identify landmarks of our local area.</p> <p>Know some features of a map. Create their own key. Create their own map using symbols.</p>
Year 1	What is the geography of where I live?	How does the weather affect our lives?	Why do we love being beside the seaside so much?
Year 2	Why don't penguins need to fly?	Why does it matter where our food comes from?	How does Kampong Ayer compare with where I live?
Year 3	How and why is my local area changing?	Why do some earthquakes cause more damage than others?	How can we live more sustainably?
Year 4	Why do so many people in the world live in Megacities?	Beyond the Magic Kingdom- what is the Sunshine State really like?	Why are jungles so wet and deserts so dry?
Year 5	Who are Britain's National Parks for?	How do volcanoes affect the lives of people living on Hiemaey?	What is a river?

Year 6

Why are mountains so important?

How is climate change affecting the world? (A region in the UK)

Why Is fair trade fair?
