11<sup>th</sup> September 2020

Dear Parents/Carers,

## **Return and Recovery Curriculum**

I am so proud of all our pupils who have continued to work hard on their personalised Return and Recovery Curriculum.

Thank you for supporting school by following our risk assessment and procedures, because of your support and the hard work of the staff all our pupils are safely enjoying learning with their friends in school.

## **Mission statement**

I would like to take this opportunity to remind you of the school's mission statement. Our mission statement, written below, summaries the purpose of our school. Everyone in school strives to ensure this purpose is met every single school day.

*"Red Marsh School provides fantastic teaching and learning in an environment where learners are cared for, valued and respected."*

## **Curriculum Map**

Your child's curriculum map will be shared with you via email on Monday 14<sup>th</sup> September. We hope you enjoy sharing the fantastic learning that will be taking place with your child this term.

## **Updated Corona Virus Risk Assessment Procedures and Advice**

To ensure we provide a safe environment for our pupils during this pandemic we continue to adapt our risk assessment and procedures to reflect changing advice from the DFE, Public Health and consultation with staff and parents. Please see our website under the covid tab for updated risk assessment and procedures. The changes to the risk assessment are highlighted in yellow.

## **Safeguarding and Child Protection**

We have recently updated the Safeguarding and Child Protection policy. The updated policies will be available on the school website and can be found on the safeguarding tab on the home page. Our Behaviour Policy has also been updated this is available under additional information/Policies.

## **Safeguarding reminder**

Can I remind parents/carers that if a member of your family or friend is collecting your child from school, and is not known to the school, the school office must be informed and a password given, prior to your child being allowed to leave the premises.

## **Meet and Greet meet**

This term we are planning to provide a virtual meet and greet opportunity for you to meet your child's teacher and see your child's class. Further information will follow.

Yours sincerely,

Catherine Dellow  
Headteacher
