09th September 2021

Dear Parents/Carers,

Welcome back everyone

It is a pleasure to welcome all our pupils back to school for the start of a new academic year. All the pupils have been amazing; they have been happy, settled and have worked hard. We are proud of them all. We welcome six new pupils and their families into our very special school community.

Health and Safety - Updates on Procedures and Risk Assessments

As a school we are constantly reflecting on our procedures in order to maximise the safety of all our pupils and staff. We continue to develop our guidance and risk assessments to reflect current practices and changing guidance from the government and Lancashire County Council. Our up to date risk assessment and latest guidance can be found on our school website under the Covid tab.

Thank you

We would like to thank all the parents, carers and staff for helping our pupils achieve such a great start back to school. Thank you for following our risk assessment and school procedures.

Showbie

Thank you to all the parents who are communicating between home and school using Showbie. This communication is essential. Please always remember, if your message is urgent, or you have any concerns that you feel are not being met, please ring the school office and your message will be passed to the teacher.

Home work opportunities

This week via Showbie you will be receiving a copy of your child's Personalised Learning Intention Targets (PLITs) and a Class Curriculum Map. Your child's class curriculum maps can also be found on the school website under the classes tab using the parent log in:

Username- Redmarshparent Password- Windmill

1. Personalised Learning Intention Targets(PLITs)

As part of your child's homework please take opportunities to practise your child's personalised targets.

2. Class Curriculum Maps

Pupils' Personalised Learning Intention Targets are taught through stimulating class topics. The topic your child will be taught is outlined on the curriculum map, sent home each term. The curriculum map outlines the subjects that your child will be enjoying this term. As part of your child's homework please help your child to find or research: objects, pictures or information about the class

topic, these can then be shared in school. If you require any help or advice please let the class teacher know.

New teacher

We also welcome Lucia to our wonderful staff team. Lucia is currently teaching in Sunshine Class.

Meet and Greet-Monday 20th September between 4pm-6:30pm.

To reduce the numbers into school and comply with our covid risk assessment, we will be having a virtual Meet and Greet the teacher evening. This will take place on **Monday 20th September between 4pm-6:30pm**. A google form will be sent out via Showbie to request a 10 minute ZOOM time slot.

Warmest wishes

Jenny Slater and the Team
