13th December 2021

Dear Parents/Carers,

## **Important Update – New Campus**

As you are aware, in January, Red Marsh School is going to expand to help meet the needs of children with Special Educational Needs in our local area. We would like to thank you for all your support in helping to make this possible. The Red Marsh team will ensure the provision at both campuses remains consistently outstanding for all our pupils and their families. Providing fantastic teaching and learning in an environment where everyone is cared for, valued and respected remains our number one priority.

Our new campus building, Willow Campus, will be ready to accept children week commencing 17<sup>th</sup> January. **No** children will be moving to the campus until this date. Therefore, **all** children will return to our Holly Road Campus on **Wednesday the 5th of January** when they will be welcomed back by their class teacher and class team.

If school has not contacted you, your child will remain at our Holly Road Campus. If you have been contacted you will, in the New Year, be invited to Willow Campus to see your child's new classroom. Each child will also receive transition photographs to support their journey, on their first day to Willow Campus.

## **Thank you -Santa Dash**

Today all the children had a very festive time completing their Santa Dash. Thank you, for sponsoring your child, all the sponsor money will come directly to school. The money will be spent to purchase equipment for the sensory rooms at Willow and Holly Road Campuses.

## **Reminder Christmas Dates this week**

### **Christmas Dinner and Party Time for children in Sunshine Room, Rainbow Room, Primary Blue, Primary Red and Green Class**

All pupils can come to school in their party clothes for these two days of celebrations.
