15<sup>th</sup> January 2021

Dear Parents and Carers,

## **National Lockdown**

As you know this is a very challenging time for all our families, staff and pupils as we continue to live and work in a national lockdown. With rising cases of Coronavirus and new more infectious Coronavirus variances emerging it is very important that we all continue to stay as safe as possible by following all Government and Public Health advice and guidance.

## **Thank you to our Pupils**

Thank you to all our amazing pupils, working either at home or at school. All our pupils are working hard towards achieving their Personalised Learning Intention Targets and Curriculum Targets. We are proud of them all.

I would also like to thank all the staff, once again, for working so hard to deliver fantastic teaching and learning to all our school community.

## **Learning from Home**

This week we have launched our new on line learning classroom. Our remote classroom is called 'Showbie' and enables personalised learning to be delivered to all our pupils learning from home.

Learning at home, as far as possible, reflects the learning that is taking place in school. All learning submitted by pupils will be responded / marked by your child's teacher at the end of each school day. This reflects marking and assessment in school which also takes place at the end of the day.

In addition, home learning families working with their child at home will receive weekly welfare calls from school. These calls are to ensure each family feels supported. If you are at home and have any concerns that have not been addressed through our remote learning platform or weekly welfare calls please ring school for support.

## **Risk Assessment**

Our whole school risk assessment is being continually updated, please ensure you familiarise yourself with this document. The most recent changes to the document are always highlighted in yellow.

## **Deputy Headteacher**

We are delighted to share the exciting news that Jenny our Deputy Headteacher will begin her maternity leave on Friday 12<sup>th</sup> February. All the pupils in Sunshine Room will continue to be supported by the experienced class team. The team and pupils in Sunshine Room and Rainbow Room will be taught and led by Tess Dellow and Lois Hunt both experienced teachers within our school. Both teachers already know the pupils in Sunshine and Rainbow Room and have the knowledge and skills to ensure all the pupils in the Early Years Department receive fantastic teaching and learning.

Thank you to our whole school community for working together to keep everyone safe.

Yours sincerely,

Catherine Dellow

Headteacher.
