14<sup>th</sup> September 2022

Dear Parents/Carers,

### **Welcome back everyone**

It is always a pleasure to welcome all our pupils back to school for the start of a new academic year. All the pupils have settled well after the summer break. We welcome seventeen new pupils and their families into our very special school community.

### **Communication**

Communication is key to building positive relationships between home and school. We use two apps to communicate aspects of school life.

### **Showbie**

Your child will be given a Showbie login or new class code. This password will enable you to access your child's virtual home school diary. Showbie is also the platform we use for blended learning. If you are struggling to access Showbie, please ring school and we will support you to log into Showbie.

### **Parent APP**

You will also be sent a link to Parent App, this app is where we share all our whole school letters and provide important school information such as term dates. You should report, absences, medical appointments and update your contact information through this app. You can also order uniform through this app.

### **New Senior Leadership Structure**

The new senior leadership structure for school is as follows:

Headteacher: Jenny Slater

Assistant Headteacher Lead Practitioner - Tess Taylor

Assistant Headteacher Willow Campus- Rachel Dixon

Assistant Headteacher Holly Campus- Heather Wood

Catherine Dellow continues to support school on a part time basis as our School Improvement Partner.

### **Home work opportunities for Reception to Sixth Form**

#### **1. Individual Learning Intention Maps**

Headteacher: Mrs Jenny Slater

Red Marsh School, Holly Road, Thornton Cleveleys, Lancashire FY5 4HH

Website: [www.redmarsh.lancs.sch.uk](http://www.redmarsh.lancs.sch.uk)

learn care

challenge share

You will be receiving a copy of your child's Personalised Learning Intention Targets. As part of your child's homework please practice one or more of the targets identified.

## **2. Class Curriculum Maps**

Pupils' Personalised Learning Intention Targets are taught through a stimulating class topic. The topic your child will be taught is outlined on the curriculum map, sent home each term. The curriculum map outlines the subjects that your child will be enjoying this term. As part of your child's homework please help your child to find or research objects, pictures or information about the class topic, these can then be shared in school.

**Meet and greet Tuesday 20th September at Willow Campus between 5pm and 6pm. and Wednesday 21st September at Holly Campus between 5pm and 6pm.**

Meet and Greet the teacher evening will take place on Tuesday 20th September for pupils at Willow Campus between 5pm and 6pm and Wednesday 21st September for pupils at Holly Campus between 5pm and 6pm. This is an informal opportunity for you to call into school with your family to meet your child's teacher and see your child's class. Please let the class teacher know via Showbie whether you will be attending this evening. We hope you will and we look forward to seeing you.

If you require any help or advice please let the class teacher know.

### **Outdoor Learning**

Outdoor learning for our EYFS- KS4 is an important and exciting part of our curriculum. Please can you make sure your child has a labelled waterproof coat, waterproof trousers and wellies which can be left in school over the year.

### **Healthy School**

As a healthy school we try our very best to promote healthy eating choices throughout the day. Please can you send into school either fruit prepared ready for your child to eat e.g. cut up and peeled in a labelled container. If your child cannot eat fruit they can bring bread sticks in a labelled container.

Best wishes,

Headteacher
