16<sup>th</sup> March 2022

Dear Parents and Carers,

## Reminder Comic Relief- Friday 18<sup>th</sup> March

Our school council want to help fight poverty in the UK and across the world. They have decided to ask their friends and staff to get their kit on and come into school wearing dance or sports clothing to raise money for Red Nose Day. During the day, we will take part in sporty activities. Please send a donation into school to support this important cause. The school council will send the money directly to Comic Relief.

## Coronavirus Cases

As some of you will be aware, we are experiencing high numbers of coronavirus cases at our Holly Campus. This has unfortunately, due to unsafe staffing ratios, resulted in some pupils having to attend school on a rota basis. We have also implemented additional control measures across school, such as limiting the mixing of class groups where cases are high.

Even though many restrictions have eased in the community, the DFE guidance for specialist schools remains the same. It is advised:

- All pupils aged 11 and over and staff continue to lateral flow test twice a week.
- If your child has any symptoms of covid 19, or appears unwell, keep them at home and help them to take a test.

As a school, we will continue to encourage regular hand washing, increased ventilation in classrooms and additional cleaning.

## Thank you

Thank you to all the parents and carers who attended our parent's day and filled out our parental questionnaire. It was lovely to have you back in school to share your child's progress.

Thank you for your continued support

Best wishes

Jenny Slater and the Team
