19<sup>th</sup> October 2020

Dear Parents and Carers,

## **Global Awareness**

Our annual Global Awareness Week '**Thank you for Food**' will begin today. All pupils will have the opportunity to take part in a range of exciting activities to develop their understanding and awareness based around the theme of 'food'. Each class has a learning focus for the week.

During Global Awareness Week pupils will also be helped to develop a range of important citizenship skills such as: communication, turn taking and group work. All the learning that has happened during the week will be shared as part of our virtual harvest celebrations.

Sadly, due to the present Corona Virus pandemic we are unable to invite you into school to celebrate harvest. However, the experiences your child has had during our exciting Global Awareness Week will be shared, with yourselves, on Friday via a photomontage sent to your email address.

## **Remote Learning**

Please be reassured that should your child have to self isolate our remote learning package is personalised to meet the needs of your child. The work provided will be emailed to you. The Remote Learning User Agreement is in place should some of the learning be accessed via the internet. It is therefore important that all parents confirm they have read the agreement. The agreement has been sent to you via a google form, if you wish for it to be resent then please contact the school office. Due to safeguarding procedures, we will not be able to send remote learning home if the agreement has not been read.

## **Communicating a Positive Covid-19 Test Result for your child**

If your child has a positive Covid-19 test result when school is closed please ensure you inform school via our dedicated email address [covidpositive@redmarsh.lancs.sch.uk](mailto:covidpositive@redmarsh.lancs.sch.uk)  
Please note class emails cannot be accessed out of school hours due to General Data Protection Regulations. During school hours please follow school absent procedures i.e ring the school office.

## **Communicating a Positive Covid-19 Test Result for yourself or a member of your household/bubble.**

If you or a family member test positive for Covid-19 ensure you isolate with your child and inform the school office during school hours, as per our school absence procedures.  
The dedicated email address is only for positive test results **for pupils** who attend Red Marsh School.

## **Half Term**

School Closes for half term on Friday 23<sup>rd</sup> October and will reopen on Wednesday 04<sup>th</sup> November.

Once again, I want to thank you all for supporting school in so many ways, including reading and following all the information that has had to be sent out this half term. We are looking forward to this exciting week.

Yours sincerely,

Catherine Dellow  
Headteacher
