Dear Parents and Carers,

Due to the high demand for places, we have now reached full capacity to remain open for pupils and staff as safely as possible.

At the present time we are able to offer all pupils who have requested a place a 4 day a week placement. You will be informed which days your child is in school. We will also inform transport.

However, if any other parents request a place for their child, we will have to reduce the days for all pupils in school.

Due to the requirement of the unions to update all risk assessments for opening school and the very high demand for places. We will from tomorrow offer pupils a phased return as follows:

Tomorrow, Wednesday 6th January, we will welcome the 6th form students who wish to return.

Other pupils will be informed tomorrow of their start date and the days they will be in school.

As a staff we would like to thank all key workers for the services they provide to our community.

Kind regards from all the staff at Red Marsh School
