

Red Marsh School Autumn (1) Newsletter 2020

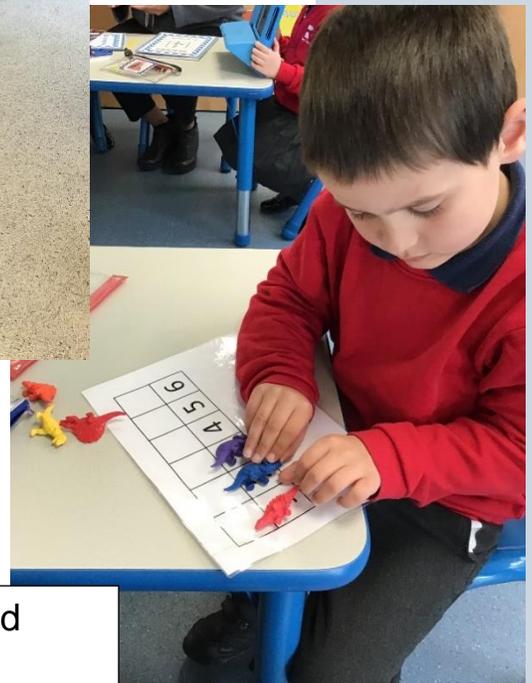

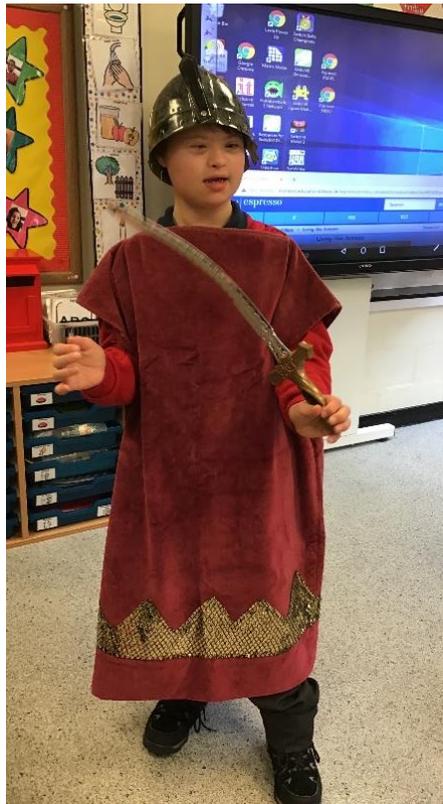

Return and Recovery Curriculum

This term it has been wonderful to see our pupils return to school. This newsletter celebrates the resilience, optimism and hard work of all our pupils. Throughout the term our pupils have demonstrated our important school values: learn, care, challenge and share. We are so proud of you all.

Our Return and Recovery priorities were:

- To build back positive relationships.
- Provide opportunities to communicate feelings.
- To learn new routines.

This term we have been teaching a full curriculum whilst concentrating on our Return and Recovery priorities.

Learning through play and practical activities makes learning fun.

Pupils have enjoyed developing their skills and knowledge through our broad and balanced curriculum.

Our pupils have been learning many new skills both indoors and out.
They have learnt new ways of working safely in their class bubbles.

As part of our enrichment curriculum, pupils took part in a range of exciting activities helping them to develop their understanding and awareness of food grown across our amazing world. During this exciting week the pupils were helped to develop a range of important citizenship skills such as: communication, turn taking and group work.

The children in Sunshine and Rainbow Rooms enjoyed sharing their food during a teddy bears' picnic.

Primary Blue pupils enjoyed learning about autumn fruit and vegetables.

Primary Red worked together to prepare hot and cold foods for a special meal.

Green Class worked hard to learn the difference between healthy and unhealthy foods.

Senior students learnt about foods from around our amazing world. Senior Red worked in teams to make Italian pizzas. Senior Blue students were helped to think about children around the world who may walk many miles to collect their food.

Our Transition group and Sixth Form students spent time reflecting on the rights of all children and young people to have food to eat. They purchased and packed bags of food for the local food bank.

Thank you, once again, for all your support in helping Red Marsh School to continue to provide fantastic teaching and learning for your children in a safe and happy environment. School will reopen for pupils on Wednesday 04th November.
