

RED MARSH SCHOOL **LETTINGS GUIDANCE**

Introduction

The Governing Body at Red Marsh School should regard the school buildings and grounds as a community asset and should make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body should be to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations should be considered with this in mind.

The school's delegated budget (which is provided for the education of its pupils) should not be used to subsidise lettings by community or commercial organisations. Charges should be levied to meet the additional costs incurred by the school in respect of lettings of the premises. Within this framework, schools may charge some organisations more than cost and subsidise other users provided that overall charges for community use at least cover additional costs.

Definition of a Letting

A letting may be defined as '*any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as a local branch of 'Weight Watchers')*'. A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget.

Lettings Policy

The Governing Body is responsible for adopting a lettings policy for the use of the school premises. A policy is provided at Appendix A. This is reviewed on an annual basis. Charges to be levied should include the following:

- Cost of services (heating, lighting and waste disposal);
- Cost of staffing (additional security, caretaking and cleaning) – including “on-costs”;
- Cost of administration;
- Cost of “wear and tear”;
- Cost of use of school equipment (if applicable);
- Profit element (if appropriate).

Where there are multiple lettings taking place at the same time, the costs for services and staffing may be shared between the organisations involved.

Where other agencies/organisations use school premises and are not operating under school's safeguarding policies and procedures they will have signed a letting agreement that includes an agreement to a transfer of control regarding safeguarding responsibilities. Other agencies must have read and agreed to the terms laid out in the appendix of this policy.

VAT

In general, the lettings of rooms for non-sporting activities is exempt of VAT, whereas sports lettings

are subject to VAT (although there are exemptions under certain circumstances). The VAT regulations for sports lettings are included in the lettings application form at Appendix B (para 5).

Insurance

The school must ensure that the Hirer has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. The minimum limit for this insurance cover is £2 million. The hirer must produce the appropriate certificate of insurance cover before the letting can be confirmed.

Neither the school, nor the Local Education Authority, will be responsible for any injury to persons or damage to property arising out of the letting of the premises.

Management of Lettings

The Headteacher is responsible for the management of lettings, in accordance with the Governing Body's policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process.

The Administrative Process

Organisations seeking to hire the school premises should approach the Headteacher, who will identify their requirements and clarify the facilities available. A lettings application form (Appendix B) should be completed at this stage.

Once a letting has been approved, a letter of confirmation should be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions of the hire agreement. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body's current scale of charges.

All lettings fees which are received by the school should be paid in to the school's budget in order to offset the costs of services, staffing etc (which are funded from the school's delegated budget). Income and expenditure associated with lettings should be regularly monitored to ensure that at least a "break even" situation is being achieved.

For long term lettings application forms should also be reconsidered on an annual basis.
