

## Celebrating Success

Thank you to all our fantastic children and students who continually share their successes and amaze us with their wonderful achievements. We hope this newsletter, the last of the year, captures some of the special times we have had this term.

Congratulations to our five Sixth Form leavers.

It has been a pleasure watching each leaver develop their skills as they transition into adulthood and college. We are proud of you all.

A very special congratulation goes to the leavers who, despite a pandemic, successfully completed their Duke of Edinburgh Awards.

We are very proud of the skills you gained and the resilience you demonstrated.

Science week is part of our inclusive enrichment program, helping our pupils to develop their scientific knowledge and skills.

Our team of Scientists took their learning from the classroom into the Great Outdoors. In our outdoor spaces, our pupils continued to develop their scientific skills and knowledge.

Our sports day challenges enabled all our pupils to display their sporting talents.

Well done to everyone for taking part and, as always, doing your very best.

**School re-opens for Pupils**  
Thursday 02<sup>nd</sup>  
September 2021

**Meet and Greet the Staff Team**  
Date to be confirmed in the autumn term

### **Important Information: for the autumn term.**

In September, we are looking forward to welcoming all the pupils back to school.

At the start and end of the day, arrival and departure times for buses and parents will remain the same as the summer term. This is to ensure the safety of pupils, parents and staff.

As you are aware, DfE guidance is continually changing to respond to the ongoing pandemic. Before our return to school in September, we will inform you of any changes to our procedures and risk assessments. You will receive a text to notify you of the information, which will be available on our school website.

There are two nursing letters on the website; if your child has medication, you must follow the important information they contain.

Our website includes summer holiday activities.

Our Sixth Form leavers' breakfast. Enjoyed by all.

All the staff and governors at Red Marsh School wish you and your family a happy and safe summer.  
We look forward to welcoming everyone back in the autumn term.
