8.2.22

Dear parents/carers.

Today is Internet Safety Day. As a school, we are committed to supporting our pupils to understand the dangers of the online world. We constantly reinforce our school safety message, 'Speak out, stay safe, show or tell a trusted adult' and support our pupils to develop an understanding of who is a trusted adult at home and at school. Throughout each day, we support our pupils to understand the times they may need to show or tell an adult that they need help.

Red Marsh School have shown our commitment to protecting our pupils online by working with National Online Safety- providing resources for all parents and carers. As a school, we are working towards reaccreditation of an award in online safety. One of the ways in which you can help us to achieve this is by completing a short online course to help you support your child to stay safe when using technology at home.

To create your account, please follow <https://nationalonlinesafety.com/enrol/red-marsh-school> and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.

You can access National Online Safety online via any device using the browser.

Alternatively, search for 'National Online Safety' in the App Store/Google Play Store and down the app.

Once you have logged in, please select the course that you feel is most relevant to you and your child.

- Annual Certificate in Online Safety for Parents & Carers of Children aged 3-7
- Annual Certificate in Online Safety for Parents & Carers of Children aged 7-11
- Annual Certificate in Online Safety for Parents & Carers of Children aged 11-14
- Annual Certificate in Online Safety for Parents & Carers of Children aged 14-18

Thank you for continued support in helping to keep our school community safe online.

If you have any questions or need any further support, please contact school.

Please let your child's teacher know if you have completed the course via Showbie.

Kind Regards,

Rachel Dixon

Online Safety Lead
