Dear Parents and Carers,

On behalf of the staff team at Red Marsh School, we want to thank you for taking the decision to keep your child safely at home. Your decision has also helped to keep the staff and their families safer and we are very grateful. We will ensure that you receive the best support we can provide for your child to continue their fantastic education whilst in your care. Should you require any additional resources or welfare calls please do not hesitate to contact school via the class email.

We will be in touch regarding how home learning will be delivered as soon as possible. We are sorry if there is a delay in contacting you, but as you can appreciate we have had short notice and due to a very high demand for places we have had to review and update many risk assessments and procedures.

Once again thank you for your support in this difficult time.

Kind regards from all the staff at Red Marsh School
